25 years!

Can you believe that we have been helping dogs and cats in Central Ohio for 25 years? In that time, we have met so many great people along the way. Some of you volunteer, some of you foster, some of you donate, and some of you patronize our clinics. We were so happy to see a lot of your faces at our 25th Anniversary event this year, and we missed those who weren't able to make it. Upper Arlington Veterinary Hospital graciously hosted our party in their office space and Catering By Scott provided the most exquisite dining experience for us all to enjoy. Many people donated items for our silent auction; volunteered on our event committee and during the event; invited friends and family; and came out in support. We could not possibly list all of you, but we appreciate each and every one of you. Here's to the next 25 years!

Sincerely-
The Columbus Dog Connection Team

All food and supplies for the trailer park have been donated. There have been **17 dogs** rescued from the trailer park not included above.

Vaccines and other cost of goods for our clinics have increased drastically through inflation this year. With the help of sponsors like **IDEXX** and **The Awesome Company**, we were able to minimize price increases to continue to provide affordable services to our community.

We are thankful to have been part of The Columbus Foundation's Better Together initiative. All donations from this program helped to support our low-cost vaccine clinic.

PROJECT CODE ORANGE- In addition to our TNR work at the trailer park, we assisted a veteran with limitations. We sterilized, vaccinated, and rehomed 18 cats from his property.

Volunteers and In-Kind donations from our supporters have made all of these programs possible. If you are interested in more info on how you can help please email us at columbusdogconnectionvolunteer@gmail.com

Dog & Cat Adoptions of the Year!

Peanut

Quirky little Peanut was overlooked by adopters for 2 1/2 years! She was pretty shy when potential adopters came, and was not the cuddliest of our cats, until some potential adopters came to meet her. She turned into the sweetest, most affectionate cat during their meet and greet and was adopted with her friend Gary! Congrats to this great family!

Brice

Our sweet Brice was adopted this year! We had to live trap this starving guy on Brice Road and he was so sick he had to be hospitalized for a week! He took a while to gain some confidence, but after a year in boarding and foster care, he found his perfect home!

A Huge thanks to our friends at **Pet Palace** and **Top Dog Boarding & Training** for helping us board our fosters in a pinch. This is the second year in a row that we have had a number of dogs & cats abandoned at our location and needed shelter right away. Without these partnerships we would have had to turn some of these dogs away.

This newsletter is dedicated in memory of Michael who passed suddenly from congestive heart failure. Michael found his loving home after living in one of the colonies at the trailer park. We miss you every day sweet boy.

Thanks for hosting us!

Much gratitude to Hollywood Feed, Zaftig Brewery, Nocterra Brewing Co., Byers Airport Subaru, Chase Corporate, and the Columbus Crew for hosting us for adoption events and fundraisers this year. We greatly appreciate your support and we met a lot of great people; got some great dogs adopted; and had a great time!

There is no possible way for us to thank every one of you in this newsletter, but we hope you know just how much your support means to us!
